

## WORK IN THE UK

# AGE CARE HOME CHEFS

We at Ed2Careers are committed to finding your dream UK job. We follow ethical recruiting and training practices for successful interviews with UK employers.

### NO FINANCIAL RISK

Pay after getting an offer letter from your UK employer.

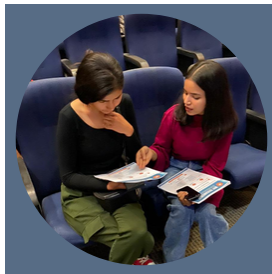

### IELTS 5 ACCEPTED

Low IELTS?  
No problem!

### PRIOR TRAINING

Training prior to the program so not only do you obtain a job in the UK but also sustain your job for a successful visa extension

## ABOUT US!

ED2CAREERS has partnered with Recruitment by AP, Voyage of wellness and Artemis Hospital, to develop a training program designed to support your journey through the selection process for working in the UK and beyond.

As professional recruiters, we follow an ethical recruitment process that is clear and transparent. Join our specialized training with Artemis Hospital, where we guide you through The process of-

- Accent Training
- Soft skills
- patient diet plans
- complete UK cultural immersion
- CV/ Interview Preparation

along with full awareness of your employment terms and visa extension opportunities. We align high-quality applicants to employers with the best compatibility.

## OUR TRAINING:

01

Focused on sustainability in the UK, so you are prepared for what to expect during your employment.

02

Enhance your skills in empathy, teamwork, communication, adaptability, critical thinking, and time management as per foreign standards.

03

Work at the voyage of wellness for the UK aged-care simulation training

04

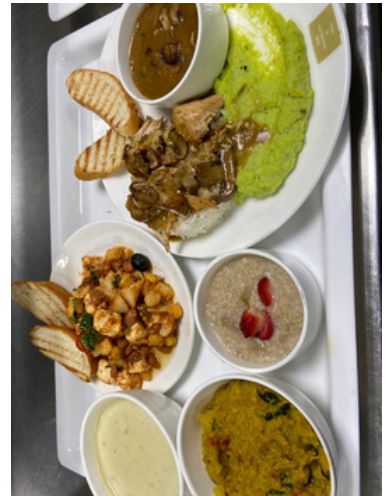

IELTS training at Artemis Gurgaon/ Zoom so you can train and work at the same time!
